### **Please note:**

The awarding bodies have designated Wednesday 26 June 2019 as a 'contingency day' for examinations. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland - <https://www.gov.uk/government/publications/examsystem-contingency-plan-england-wales-and-northern-ireland>. The designation of a 'contingency day' within the common examination timetable is in the event of national or local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations.

**Candidates must remain available until Wednesday 26 June 2019 should an awarding body need to invoke its contingency plan.**

Language speaking exams are to be added to this timetable
